

MY PERSONAL MISSION FIELD

TO DO NOW

Pray daily for the individuals you have listed to the right. Ask Christ to give you the courage to invite them to your congregation's Christmas Eve service.

DECEMBER 1 THROUGH DECEMBER 19

Invite those individuals to your Christmas Eve service. The best option, if possible, is face-to-face. (If your church has obtained any C19 outreach materials you could give the individual that, e.g. a *God So Loved the World* postcard.) If face-to-face is impractical, a phone call is fine.

“Hey, are you and your family doing anything Christmas Eve? My church is going to have a service that is going to be beautiful. We would love to have you come along.”

DECEMBER 20 THROUGH DECEMBER 23

Phone those individuals who accepted your invitation. You might offer to pick them up and let them drive with you.
