

## MY PERSONAL MISSION FIELD

### TO DO NOW

Pray daily for the individuals you have listed to the right. Ask Christ to give you the courage to invite them to your congregation’s Christmas Eve service.

### DECEMBER 1 THROUGH DECEMBER 19

Invite those individuals to your Christmas Eve service. The best option, if possible, is face-to-face. (If your church has obtained any C20 outreach materials you could give the individual that, e.g. *The Greatest Gift* postcard.) If face-to-face is impractical, a phone call is fine.

*“Hey, are you and your family doing anything Christmas Eve? My church is going to have a service that is going to be beautiful. We would love to have you come along.”*

### DECEMBER 20 THROUGH DECEMBER 23

Phone those individuals who accepted your invitation. You might offer to pick them up and let them drive with you.
