

Rooted to the Family
Session 2 - Discussion
Lessons 6-9 - Series B

1. In the Fourth Commandment, God commands us to honor those in authority over us (in the home, church, government, school, work) because in doing so we are honoring him since they are his representatives. For each of these situations, name two ways how we honor someone in authority:
 - a. When a parent disciplines a child
 -
 -
 - b. When children talk to their parents
 -
 -
 - c. When others are being disrespectful in a class we are attending

2. A friend of yours has been talking about suicide. You don't know if it is really a possibility or if they are just talking to get attention. How would what you learned about in the Fifth Commandment help you in what you would say to your friend. List three things.

3. The grandmother of a family is in a coma in the hospital and being kept alive by machines. The doctor wants the family to decide whether the machines should be turned off; he thinks they should be turned off. What are some things the family needs to consider?

4. God wants to protect his gift of sex and has given that gift to those who are married. He wants us to be aware about how we guard against misusing his gift of sex because he wants us to be pure before him and appreciate what a gift sex is in a marriage. With what you learned about the Sixth Commandment, what are steps that can be taken to protect God's gift of sex in each of these situations?

- What would you do to evaluate TV shows, movies, books, and music when it comes to sex?
- What are things to consider in how we dress?
- What are things to consider when it comes to dating?
- What are things to consider when it comes to a future spouse?
- What do you do when your group of friends seem to make light of sex?

5. How can the following be a breaking of the Seventh Commandment?

- Cheating on homework, quiz, or test
- Downloading music or videos I haven't paid for
- Not working hard at a place where I'm employed
- Neglecting offerings to God
- Carelessly handling or ruining public property (parks, schools, libraries, hotels)
