POST-VIDEO DISCUSSION QUESTIONS

These questions exist to enhance and promote discussion. Use them as your group sees fit, always striving to answer the big question: *How can our church connect more millennials to God?*

Millennials and those in the generation following them (Generation Z) can be **idealistic**, and ideals are often unmet, which leads to cynicism. How can the church minister to young people who struggle with the pain of reality (besides just telling them to suck it up)?

- Luke said, “**Membership** is almost a dirty word for millennials.” Which aspects of membership at our church are worth promoting? Which might benefit from being rethought?
- How does our congregation’s current **digital communication strategy** rate on a scale of 1–10?
- What might our church do to become a “**third space**” for our community?
