POST-VIDEO DISCUSSION QUESTIONS

These questions exist to enhance and promote discussion. Use them as your group sees fit, always striving to answer the big question: *How can our church connect more millennials to God?*

- God's Gospel is preached in **different ways to different people**—as is shown in Acts 2 and Acts 17. How does this happen in our congregation?
- How can our church equip members to **tell the narrative** of God's love better?
- James spoke to the way the Gospel inspires **humility which leads to compassion**. Are there specific examples of that happening among our congregation in the recent past? Are there examples of members having a sense of superiority instead?
- What is the difference between holding fellowship events and **creating friendships**? Which does our church do?
- Would the millennials in your community **miss our church** if it ceased to exist?
- Is our church **making decisions** based on members or the needs of the community at large?
