

## Confidently Sharing Jesus with Friends

God's Word is vitally important to us because he used it to connect us to Jesus by faith. Through our Savior Jesus we have the peace of forgiveness, the joy of life with God, and the hope of the glory of heaven.

God used people in our lives to tell us his saving word. And now that we have it, God wants us to share the message of his love with others. Jesus said, "You will be my witnesses."

All of us have questions, fears, and concerns about doing that. For that reason, we produced this DVD to offer advice and encouragement for talking about Jesus, especially with people you know.

May God bless and help you confidently share the good news of Jesus.
