Passion Sunday— Year A

The History of Our Lord’s Suffering and Death according to St. Matthew Passion Sunday—Year A

In *Worship the Lord* #113 several pastors describe how they combine a Palm Sunday emphasis with a reading of the Passion History. It is available here: worship.welsrc.net/download-worship/worship-the-lord-hymnal-introduction-series/.

For 2022, the Commission on Worship (and hymnal project) provided only one option for the Luke account. But there are many ways to experience the Passion History. To learn more and to find links to sample services and Service Builder files, see “Passion Sunday Gospel options - Year A (Matthew)” at worship.welsrc.net/download-worship/service-folders-palm-sunday/. This document provides a variety of options for the Matthew account.

The options in this document can serve both congregations with the new hymnal and those using CW93.
