

HYMNAL Highlight

The Seven Words

Last year *Forward in Christ* magazine and WELS social media featured “The Seven Words” (436) accompanied by original art and a recording of this new hymn. You might call attention again to the recording and commentary on each stanza via congregational email or social media, with optional content in brackets.

The Seven Words

As part of your Holy Week devotions [*and for a preview of a new hymn we’ll sing on Good Friday*], you’re invited to listen to “The Seven Words” (436). A recording is available at forwardinchrist.net/videos. This link includes a link to the issue of *Forward in Christ* magazine that provided commentary on each stanza last year.
