

My brothers and sisters in Christ,

“I thank my God every time I remember you” (Philippians 1:3).

I thank the Lord of the Church for his grace and providence when I see all that he accomplished through our Wisconsin Evangelical Lutheran Synod (WELS) during 2020. It was a challenging year. Yet, even during a pandemic, our 1,264 congregations continued to carry out zealous gospel ministry in their communities. Our congregations made whatever pivots were necessary to continue to feed members with word and sacrament. WELS churches continued to seek the lost, knowing that the fear many were feeling provided an opportunity to point to the One who drives away all fear. And our congregations continued to pursue the straying. There was a tremendous amount of church-leader-to-church-member contact that took place this year, and the Spirit did wonderful work through that. On top of all this, add what Christ did through us collectively. Through our prayers and gifts, we trained over 1,300 future called workers, supported gospel outreach in North America and in foreign lands, and provided valuable resources for local outreach and discipleship. How blessed and privileged we are, that God lets us play a role in his saving work!

I thank all those who were responsible for filling out their congregation’s statistical report. It took extra work this year, for a variety of reasons. A) The statistical report was updated this year. This meant becoming familiar with the new report form. B) This year, we asked for some data about the impact of COVID-19. C) We also asked for demographic data—congregational breakdown by age and ethnicity—something we will do in every year evenly divisible by 5. And D) it was hard keeping good records in 2020! So, again. Thank you for the work you put in. We had 1,203 congregations provide statistics. That is a 95 percent compliance rate, which is stunningly high for a church body our size. (Note that if a congregation did not provide 2020 information, we used the most recent data on record and then inserted the 2020 “CMO” and “other” offering totals, as we do for all congregations. Those are all noted in the report.)

I thank WELS Ministry of Christian Giving (MCG) administrator, Rev. Kurt Lueneburg, for allowing WELS Congregational Services (CS) to become a partner in the collection of statistics. The statistical report remains a joint effort between our areas of ministry. With the statistical report, MCG continues to be responsible for tracking and recording all offerings. MCG representatives in each district are the ones who encourage churches to fill out their statistical report. CS is responsible for the membership and ministrations side of the report, as well as the analysis of those statistics year-over-year. Special thanks to Adam Goede, who helped train members of the CS team in this process of data validation, a painstaking but important step in statistics. Along those lines, I want to thank those CS teammates who took up that work: Laura Schulz and Maxine Neumann. They are the ones who went line-by-line through congregational statistics to look for abnormalities and reach out to congregations as needed to validate the data.

Finally, I want to thank the members of WELS Technology. I mentioned that the statistical report was updated this year. That required a massive amount of tech work: adding some new needed fields, redefining others, and eliminating still other unused fields; mapping how new data would align with old data in the underlying database; etc. Julie Duran, Nicole Greanya, and Debbie Kamin provided daily progress reports for months.

Please be aware that, as has been the case for a long time, there are two statistical reports: the print report and the digital report. The digital report can be downloaded as an MSEXcel file at <https://welscongregationalservices.net/stats/>. It contains all the statistical data for membership, ministrations, and finances. Because it is digital, it is easy to search, to sort data, or to run queries. The print report is meant to be more of a summary that consolidates data so that all the columns can fit on two printed pages. For example, in the print report, the column “Gained to WELS” is a summary of all the new members God gifted to WELS in 2020, other than children born to WELS members. “Gained to WELS” includes adult confirmations, professions of faith, and children of those two groups. If you want to see how many individuals were in each of those subcategories, you need to look at the digital report. The print report also contains other summary pages: WELS congregations by state, world mission efforts, etc.

This statistical report preface generally included a paragraph of observations about the previous year’s statistics and some historic trends. That information is now shared in a slightly expanded “Statistical Summary” that provides some year-over-year data trends with brief analysis.

With a 95 percent compliance rate, good data validation, and subsequent analysis, the annual statistical report provides us with excellent information. This information is crucial in our planning efforts to steward the resources the Lord provides to us.

Your servant in Christ,

Pastor Jonathan Hein
