

WELS STATISTICAL REPORT

2021

WELS
Christ's Love, Our Calling.

My brothers and sisters in Christ,

“I thank my God every time I remember you” (Philippians 1:3).

I thank the Lord of the Church for his grace and providence when I see all that he accomplished through our Wisconsin Evangelical Lutheran Synod (WELS) during 2021. That is one of the primary reasons we look at the statistics—to see all the reasons we have to thank God for his goodness.

- Collectively, WELS had about 6,400 more people gathered in worship each week than we had in 2020 (when COVID had churches shut down for part of the year).
- Together, WELS congregations pulled almost 6,500 new souls into our congregations. These are adults and children who, through the evangelism efforts of WELS churches, were moved by the Spirit to join our church body.
- Just over 3,000 children were born into households of WELS members and subsequently became members of God’s household through holy baptism.
- As a synod, we trained over 1,373 future called workers, supported gospel outreach in North American and in foreign lands, and provided valuable resources for local outreach and discipleship.
- This was all possible because the Lord moved the people of WELS to contribute \$22,679,000 for our joint work, the second straight calendar year where WELS Congregational Mission Offerings reached a record level.

How blessed and privileged we are, that God lets us play a role in his saving work!

We had 1,221 congregations provide statistics. That is a 97.7 percent compliance rate, which is stunningly high for a church body our size. (Note that if a congregation did not provide 2021 information, we used the most recent data on record and then inserted the 2021 “CMO” and “other” offering totals, as we do for all congregations. Those are all noted in the report.) This is the second reason to look at statistics. Data that is that thorough helps us as we strive to make good decisions in stewarding the resources our generous Father has provided to us.

The statistical report is produced through a joint effort of WELS Ministry of Christian Giving (MCG) and WELS Congregational Services (CS). MCG is responsible for tracking and recording all offerings. MCG representatives in each district are the ones who encourage churches to fill out their statistical report. I sincerely thank the MCG team for all the work they do in this endeavor. CS is responsible for the membership and ministrations side of the report, as well as the analysis of those statistics year-over-year.

Please be aware that, as has been the case for many years, there are two statistical reports: the summary report and the comprehensive digital report. The digital report can be downloaded as an MExcel file at <https://welscongregationalservices.net/stats/>. It contains all the statistical data for membership, ministrations, and finances.

Because it is digital, it is easy to search, to sort data, or to run queries. The print report is meant to be more of a summary that consolidates data so that all the columns can fit on two printed pages. For example, in the print report, the column “Gained to WELS” is a summary of all the new members God gifted to WELS in 2021, other than children born to WELS members. “Gained to WELS” includes adult confirmations, professions of faith, and children of those two groups. If you want to see how many individuals were in each of those subcategories, you need to look at the digital report. The print report also contains other summary pages: WELS congregations by state, world mission efforts, etc.

In addition to those two statistical reports, we have produced a Statistical Summary that provides some year-over-year data with analysis.

May the Lord or the Church bless you and the ongoing ministry efforts of your congregation.

Your servant in Christ,

Pastor Jonathan Hein

Coordinator, WELS Congregational Services

Director, WELS Commission on Congregational Counseling
